# About M.G.H.F.

The Mason General Hospital Foundation is a volunteer charitable organization which raises, receives, manages, and distributes funds for financial support to Public Hospital District No.1, which consists of Mason General Hospital and its affiliated clinics. Mason General Hospital Foundation is a 501 (c)3 charitable organization.

Mason General Hospital Foundation generates support for Public Hospital District No.1 through:

- Annual Campaigns
- Special Events
- Special Campaigns
- Treasures Thrift Store
- Grants

Karen Hilburn Breast & Cervical Cancer Fund

Special events, such as the annual golf tournament Quality Care Open and Fantasy Forest, not only raise funds for MGHF, but build community support for Public Hospital District No.1 through their participants and volunteers. Funds raised by Mason General Hospital Foundation go toward the purchase of medical equipment. With these funds the Foundation has purchased items such as:

- Ultrasound Machine
- Lifepak Defibrillator
- 2 Birthing Beds
- Bronchoscope
- YAG Eye Laser

As technology in healthcare improves and the population ages, the public places greater demands on hospitals. At the same time, insurance providers, including Medicare and Medicaid, are paying less to hospitals making the need for support from organizations like the Foundation more and more important.

For additional information or to volunteer for Fantasy Forest please call the Development office at (360) 427-3623 or email at [mlucas@masongeneral.com](mailto:mlucas@masongeneral.com)
