

OBTAIN INDIVIDUAL VACCINE RECORDS

To obtain your family's vaccine records from the Washington State Department of Health, visit the following website:

<https://www.doh.wa.gov/YouandYourFamily/Immunization/ChildProfileHealthPromotion/ForParents/AccessyourFamilysImmunizationInformation>

Option 1: Sign up for MyIR to view, download and print your family's immunization information.

MyIR allows you to manage your family's immunization records securely online. Once you register, you can access the records any time you need them. You can also print your child's [Certificate of Immunization Status \(PDF\)](#) for school and childcare entry. You can do all of this without an extra trip to your healthcare provider or school.

Step 1: Go to <https://wa.myir.net/register> to begin the sign-up process. If you choose the "Auto Match" option and the system finds an extra match, MyIR will send you a verification code by either text or phone call. If an exact match is not found, MyIR will direct you to Step 2.

Step 2: Fill out an [Authorization to Release Immunization Records \(PDF\)](#) or an [Autorización para entregar documentos de vacunaciones \(PDF\)](#) and check the box indicating you want to access your records online via MyIR. Mail, fax, or e-mail the form to:

Once we receive your signed form, we'll register you in MyIR and send you a temporary PIN and instructions on what to do next. When you're done, you'll have immediate access to your family's immunization records to view, download, or print as often as you need.
