Mason General Hospital Foundation (MGHF) is a volunteer charitable organization which raises, receives, manages, and distributes funds for financial support to Mason General Hospital & Family of Clinics.

Mason General Hospital Foundation is a 501 (c) 3 charitable organization. Mason General Hospital Foundation generates support for Public Hospital District No. 1 through:

Special events such as the annual Quality Care Open Golf Tournament and Fantasy Forest raise funds for Mason General Hospital Foundation and build community support for Public Hospital District No. 1 through their participants and volunteers. Over \$4,000,000 has been raised by Mason General Hospital Foundation to go toward the purchase of medical equipment. With these funds the Foundation has purchased items such as:

Selenia 3D Mammography Unit by Hologic
Zoll "R" Series Defibrillators
Pulmonary Function Machine
Patient Lift Equipment
Stretchers for ER Department
YAG laser for MGH Eye Clinic
Pediatric Glidescope w/Camera

3D MRI and CT Technology
C-Track Radioisotope Detector
Ultrasound Services
Responic Bipap Ventilators
Birthing Beds for OB Department

As technology in healthcare improves and the population ages, the public places greater demands on hospitals. At the same time, insurance providers, including Medicare and Medicaid, are paying less to hospitals making the need for support from organizations like the Foundation strategically important.
