PURPOSE

To describe the responsibilities and duties of Mason General Hospital in accordance to Washington State’s ‘Death with Dignity Act, Initiative 1000’ codified as RCW 70.245.

POLICY

It is the policy of this hospital to respect a patient’s right to choose to participate in the Death with Dignity Act and to respect the physician-patient relationship. Mason General Hospital will not, however, mandate its physicians, or physicians associated with Mason General Hospital to participate in the Death with Dignity Act. In addition, Mason General hospital will not dispense medications to patients wishing to participate in the Death with Dignity.

The hospital will provide oversight and may review records to the extent necessary to ensure all the safeguards of the law haven been followed and the required documentation completed and submitted to the Department of Health.

I. Hospital Responsibilities:
   a. Mason General Hospital will ensure the following shall be documented or filed in the patient's medical record to meet the requirements as set forth in the Revised Code of Washington and the Washington State Administrative Code Chapters 246-978 (RCW 70.245):
      (1) All oral requests by a patient for medication to end his or her life in a humane and dignified manner;
      (2) All written requests by a patient for medication to end his or her life in a humane and dignified manner;
      (3) The attending physician’s diagnosis and prognosis, and determination that the patient is competent, is acting voluntarily, and has made an informed decision;
      (4) The consulting physician's diagnosis and prognosis, and verification that the patient is competent, is acting voluntarily, and has made an informed decision;
      (5) A report of the outcome and determinations made during counseling, if
DEATH WITH DIGNITY

performed;

(6) The attending physician’s offer to the patient to rescind his or her request at the time of the patient's second oral request under RCW 70.245.090; and

(7) A note by the attending physician indicating that all requirements under this chapter have been met and indicating the steps taken to carry out the request, including a notation of the medication prescribed.

b. The following forms must be completed, signed, dated and a copy will be maintained in the patients chart: Mail to: State Registrar, Center for Health Statistics, P.O. Box 47814, Olympia, Wa

II. Primary Care Physician- Stage 1:

a. It is the responsibility of the attending (primary) physician “to ensure that all appropriate steps are carried out in accordance with the law before writing a prescription for medication to enable a qualified patient to end his or her life in a humane and dignified manner.”

b. Document patient first oral request in medical record/DOH form (“ATTENDING PHYSICIAN’S COMPLIANCE FORM” DOH 422-064), including date, time, and persons present.

Continue to use ATTENDING PHYSICIAN’S COMPLIANCE FORM to track completion of required steps.
DEATH WITH DIGNITY

c. Inform patient that patient may rescind request or end process to obtain a prescription any time and for any reason patient wishes
d. Recommend patient notify next of kin of request.
e. Discuss with patient the patient’s diagnosis and his or her prognosis. Discuss feasible alternatives with patient and provides information on hospice, comfort care, and pain control.
f. Discuss with patient the risks associated with taking the medication to be prescribed.
g. Discuss with patient the probably result of taking the medication to be prescribed.
h. Determine that patient has an incurable and irreversible disease.
i. Determine, within reasonable medical judgment, that patient’s incurable and irreversible disease will produce death within six months.
j. Provide patient with the DOH written form for making final written request and explain time frame.
k. Refer the patient to consulting physician for medical confirmation of diagnosis and determination that patient is competent to make informed decision and acting voluntarily.
l. Evaluate patient’s competency and determines patient is competent to make an informed decision about self-administration of lethal medication.
m. Refer patient to licensed psychiatrist or psychologist for counseling if patient may have depression or psychiatric or psychological disorder causing impaired judgment. *Do not prescribe lethal medication unless and until person performing counseling determines that the patient is not suffering from a psychiatric or psychological disorder or depression causing impaired judgment.*
n. Determine that patient request is made voluntarily.

III. Consulting Physician Requirements

a. Obtain DOH required form “CONSULTING PHYSICIAN’S COMPLIANCE FORM” DOH 422-065/CHS 603.
b. Examine and evaluate patient clinical record.
c. Examine and evaluate patient.
d. Confirm attending physician’s diagnosis that patient has an incurable and irreversible disease.
e. Confirm that, within reasonable medical judgment, patient’s incurable and irreversible disease will produce death within six months.
f. Confirm patient is competent to make an informed decision about self-administered lethal medication.
g. Refer patient for to licensed psychiatrist or psychologist for counseling if patient may have depression or psychiatric or psychological disorder causing impaired judgment.
h. Confirm patient is acting voluntarily.
i. Confirm patient has made an informed decision to request self-administered lethal medication.
DEATH WITH DIGNITY

1) “Informed decision” means a decision that is based on an appreciation of the relevant facts and after being fully informed by the attending physician of:
   i. His or her medical diagnosis;
   ii. His or her prognosis;
   iii. The potential risks associated with taking the medication to be prescribed;
   iv. The probable result of taking the medication to be prescribed; and
   v. The feasible alternatives including, but not limited to, comfort care, hospice care, and pain control.

j. Complete CONSULTING PHYSICIAN’S COMPLIANCE FORM, retain copy in medical record, and deliver original of form to the primary physician.

IV. Counselor (Is a licensed psychiatrist or psychologist)
   b. Evaluate whether or not patient is suffering from a psychiatric or psychological disorder or depression causing impaired judgment.
   c. Evaluate patient’s competency to make an informed decision.
   d. Provide, with patient consent, any appropriate treatment to patient to enable patient to make informed decision without impaired judgment.
   e. Determine that patient is not suffering from a psychiatric or psychological disorder or depression causing impaired judgment.
   f. Confirm patient has made an informed decision to request self-administered lethal medication.

   1) “Informed decision” means a decision that is based on an appreciation of the relevant facts and after being fully informed by the attending physician of:
      i. His or her medical diagnosis;
      ii. His or her prognosis;
      iii. The potential risks associated with taking the medication to be prescribed;
      iv. The probable result of taking the medication to be prescribed; and
      v. The feasible alternatives including, but not limited to, comfort care, hospice care, and pain control.
   g. Document evaluation on PSYCHIATRIC/PSYCHOLOGICAL CONSULTANT’S COMPLIANCE FORM and sign determination; retain copy for medical record; provide original to primary physician.

V. Primary Physician- Stage Two
   a. Document (in medical record) presence of all persons (family, tx team, etc).
   b. Receive patient’s second oral request.
   c. Confirm 15 days or more have passed since patient’s first oral request.
   d. Review consultant and counselor report(s).
   e. Proceed only if consultant, and any counselor, confirm in report(s) that
      i. Patient has an incurable and irreversible disease.
ii. Patient’s incurable and irreversible disease will produce death within six months.

iii. Patient is competent to make informed decision

iv. Patient is making an informed decision

v. Patient is acting voluntarily

vi. Patient does not have depression or psychiatric or psychological disorder causing impaired judgment. (if has been referred to counselor)

f. Receive patient’s written request on DOH form “REQUEST FOR MEDICATION TO END MY LIFE IN A HUMANE AND DIGNIFIED MANNER” DOH 422-063 (or in a written form that is substantially the same form as described in Act).

   i. Confirm DOH form is complete, or that other written request substantially complies with the Act

   ii. Confirm form is signed by patient and witnesses at least 48 hours before physician writes prescription.

g. Attach original patient written request form to ATTENDING PHYSICIAN’S COMPLIANCE FORM. Retain copy in medical record.

h. Confirm patient is Washington resident. (Make copy of factor(s) used to determine residency and retain in medical record) Factors demonstrating Washington state residency include but are not limited to:

   i. Possession of a Washington state driver’s license;

   ii. Registration to vote in Washington state; or

   iii. Evidence that the person owns or leases property in Washington state.

i. Confirm patient is at least 18 years of age.

j. Inform the patient of importance of having another person present when patient takes the medication.

k. Inform the patient of importance of not taking the medication in a public place.

l. Specifically offer patient opportunity to rescind request. Specifically document offer and response.

m. Verify that patient is still competent to make an informed decision.

n. Verify that patient is acting voluntarily.

o. Immediately prior to writing prescription ensure that patient is fully informed/is making an informed decision

   i. “Informed decision” means a decision that is based on an appreciation of the relevant facts and after being fully informed by the attending physician of:

      1. His or her medical diagnosis;

      2. His or her prognosis;

      3. The potential risks associated with taking the medication to be prescribed

      4. The probable result of taking the medication to be prescribed; and

      5. The feasible alternatives including, but not limited to, comfort care, hospice care, and pain control.
**DEATH WITH DIGNITY**

p. Before writing prescription, determine that all required steps have been carried out and documented on required DOH forms and that copies are in the clinical record.
   i. It is the responsibility of the attending (primary) physician “to ensure that all appropriate steps are carried out in accordance with the law before writing a prescription for medication to enable a qualified patient to end his or her life in a humane and dignified manner.”

q. Write prescription for self-administered lethal medication.

r. Instruct patient that any unused medication must be disposed of legally.

s. Dispense medication
   i. Directly to patient including ancillary medications intended to facilitate the desired effect to minimize the patient’s discomfort, if the attending physician is authorized under statute and rule to dispense and has a current drug enforcement administration certificate

   OR

   ii. with patient written consent, contact pharmacist and inform pharmacist of prescription AND then deliver prescription in person, by fax, or by mail to pharmacist.

t. Complete and sign ATTENDING PHYSICIAN’S COMPLIANCE FORM.

u. The attending physician may sign the patient’s death certificate which shall list the underlying terminal disease as the cause of death (and not the ingestion of lethal medication).

v. Within 30 days after patient death, gather and submit required DOH forms:
   i. ATTENDING PHYSICIAN’S COMPLIANCE FORM
   ii. Patient’s written request (REQUEST FOR MEDICATION TO END MY LIFE IN A HUMANE AND DIGNIFIED MANNER)
   iii. PSYCHIATRIC/PSYCHOLOGICAL CONSULTANT’S COMPLIANCE FORM
   iv. CONSULTING PHYSICIAN’S COMPLIANCE FORM
   v. (if physician dispenses medication directly) PHARMACY DISPENSING RECORD FORM, DOH 422-067. (Note: if physician refers to pharmacy for medication dispensing, the pharmacy will complete and submit this form).

w. Within 30 days after patient death or within 30 days after patient ingestion of lethal medication obtained pursuant to the Act (whichever comes first) complete and submit required DOH form ATTENDING PHYSICIAN’S AFTER DEATH REPORTING FORM, DOH 422-068.
   i. This form asks for very specific details about the patient’s death and form instructs physician to contact the family or patient’s representative if physician does not know the answers to any of the questions.

**VI. Pharmacist:**
a. Receive notice from physician of prescription.
b. Receive prescription in person from physician or by fax or by mail.
c. Obtain PHARMACY DISPENSING RECORD FORM, DOH 422-067.
d. Dispense prescribed medication. Provide medication to patient or to an agent expressly identified by the patient; or to the attending physician if indicated by physician.
e. Do not send medication by mail or any courier.
f. Include notice with medication that any unused medication must be disposed of legally.
g. Within 30 days of dispensing medication, complete and submit required DOH form PHARMACY DISPENSING RECORD FORM, DOH 422-067.
