# MGH Hoodspport Family Clinic

Partnering in  
patient-centered care.

## Welcome!

Partnering with Mason General Hospital & Family of Clinics provides Hoodspport Family Clinic (HFC) with a strong support system, while maintaining the goals of 'patient-centered' care and 'community'. In addition to having electronic medical records and business support, HFC receives patient care support through consultation with specialists and Emergency Department physicians at MGH&FC. The HFC patient base includes Hoodspport, Lilliwaup, Brinnon, Union – and all parts in between.

## Meet our health care providers

**Margene D. Fields, ARNP**

**Margene Fields** is an advanced registered nurse practitioner (ARNP) who believes in patient-centered care, treating patients and assisting them in their health care needs and decisions. Margene has been an instructor in the nursing program at Grays Harbor College. She obtained

her Nurse Practitioner degree at the University of Washington, Seattle in 1992, and is board-certified with the American Academy of Nurse Practitioners.

**Hilary Walker, ARNP**

**Hilary Walker** joined Hoodspport Family Clinic and Mason General Hospital & Family of Clinics in 2014. With the belief that establishing a trusting relationship with patients is critical to providing effective health care, Hilary endeavors to educate and empower her patients to play an important role

in their own health care. She completed her college education in California, obtaining a Bachelor of Science degree in Physiology and Neuroscience from the University of California in San Diego; and then a Master's degree in Nursing from the Family Nurse Practitioner Program at Samuel Merritt University, Oakland, CA, in 2014. She is board-certified, with special interests in preventive care, chronic disease management, and rural health care.
